WiMAX Forum® Quick Facts

Year Established: 2001

Website: www.wimaxforum.org

Vision: Global adoption of WiMAX as the Internet technology of choice anytime, anywhere.

Mission: WiMAX Forum is the worldwide consortium focused on global adoption of WiMAX and chartered to establish certification processes that achieve interoperability, publish technical specifications based on recognized standards, promote the technology and pursue a favorable regulatory environment.

Members: The WiMAX Forum's membership base represents a thriving WiMAX Ecosystem which includes leading equipment manufacturers, service providers and systems integrators. A complete list of members is available online at <http://www.wimaxforum.org/about/>.

Officers and Board of Directors: The Board of the WiMAX Forum is comprised of industry leaders within the broadband wireless ecosystem. Board members are committed to provide guidance and direction to the industry body to ensure the WiMAX Forum organizational staff executes on its vision and charter.

President and Chair: Ron Resnick, Intel
Vice President: Dr. Mohammad Shakouri, Alvarion
Secretary: Bruce Holloway, WiMAX Forum
Chief Financial Officer: Batya Marks, WiMAX Forum

Board of Directors:
Sean Cai, ZTE
Chris Cheeseman, British Telecom
Brian Deutsch, Aperto Networks
Dr. Hyun-Pyo Kim, KT
Thomas Lee, Huawei Technologies
Bao-Shuh Paul Lin, ITRI
Scott F. Migaldi, Motorola
Dr. Hideo Okinaka, KDDI
Joonho Park, Ph.D., Samsung
Prateek Pashine, Tata Communications
Michel Peruyero, Alcatel-Lucent
Dean Prochaska, Sprint
Paul Senior, Airspan Networks
Sai Subramanian, Cisco Systems
Ali Tabassi, Clearwire Corporation
Jari Vainikka, Nokia
Dorin Viorel, Fujitsu
Dave Williams, Comcast Cable

Working Groups: The WiMAX Forum has organized the following working groups to address critical areas of focus in bringing WiMAX Forum Certified™ products to the marketplace:

- **Applications Working Group:** Define and facilitate favorable applications and services best practices for WiMAX systems with engineering focus & influence WiMAX technology adoption worldwide. *Chair, Erich Izdepski, Clearwire; Vice Chair: Shyam Parekh, Alcatel Lucent*
- **Certification Working Group:** Handles the operational aspects of the WiMAX Forum Certified program. *Co-Chairs; Ed Agis, Intel & Alan Ewing, Nokia*
- **Global Roaming Working Group:** Assures the availability of global roaming service for WiMAX networks in a timely manner as demanded by the marketplace. *Chair: Sang Ho Kim, KT*
- **Marketing Working Group:** Drive worldwide adoption of WiMAX enabled wireless broadband connectivity anytime, anywhere. *Chair: XJ Wang, WiMAX Forum*
- **Network Working Group:** Creates higher level networking specifications for fixed, nomadic, portable and mobile WiMAX systems, beyond what is defined in the scope of 802.16. *Chair: Prakash Iyer, Intel*
- **Regulatory Working Group:** Influences worldwide regulatory agencies to promote WiMAX-friendly, globally harmonized spectrum allocations. *Chair: Tim Hewitt, WiMAX Forum*
- **Service Provider Working Group:** Gives service providers a platform for influencing BWA product and spectrum requirements to ensure that their individual market needs are fulfilled. *Chair: Asan Khan, Sprint-Nextel*
- **Technical Working Group:** The main goal of the TWG is to develop technical product specifications and certification test suites for the air interface based on the OFDMA PHY, complementary to the IEEE 802.16 standards, primarily for the purpose of interoperability and certification of Mobile Stations, Subscriber Stations and Base Stations conforming to the IEEE 802.16 standards. *Co-Chairs: Wonil Roh, Samsung and Vladimir Yanover, Alvarion*

WiMAX Forum Staff:

John Aiken, Program Manager
Gordon Antonello, Certification Program Validation Test Project Manager
Margaret Bagan, Marketing Communications Manager
Alan Chisholm, Program Manager
Deb Christensen, Membership Services Specialist
Lynda Dallman, Director of Human Resources
Elizabeth Delamotte, Office Manager
John Dubois, Director of Global Roaming
Holly Farmer, Executive Assistant & Membership Manager
Greg Gogates, Lab Certification Program Manager
Steve Heck, Program Manager
Tim Hewitt, Director of Spectrum & Regulatory Policy
Bruce D. Holloway, General Counsel

Sandra Hussein, Accounting Supervisor
Rebecca Johnson, Web Support Specialist
Charles Lee, Senior Accountant
Batya Marks, CFO
Dr. Roger Marks, VP of Technology Standards
Edward McNair, Creative / Web Director
Joe Nguy, Staff Accountant
Dave Nugent, Certification Program Manager
Chirag Patel, Program Manager
Shonna Schroedl, Events Manager
Jonathan Singer, Market Research Manager
Darren Smith, Program Manager
Scenna Tabesh, Director of Marketing Communications
XJ Wang, Senior Director of Marketing
Matt Wangler, Director of Operations
